# Surface planer with one side and a vertical-axis fixed table

# ADR-501CP

## ADR-501CP　Machine specifications

| | | | |
|---|---|---|---|
| Horizontal planer spindle cutting height | | | 15～490mm |
| Vertical planer spindle cutting height | | | 5～180mm |
| Automatic single-sided cutting height | | | 5～400mm |
| Height of the table surface | | | 800mm |
| Planer spindle speed | | | 5000min-1 |
| Material feed speed | | | 4～20m/min (Reverse speed 20m/min) |
| Plane shaft dimensions | Vertical planer shaft (no movement) | | φ125×190mm Jointer block |
| | Horizontal planer shaft (no movement) | | φ100×500mm Jointer block |
| Motor spec | Plane shaft | Vertical axis | 2.2KW |
| | | Horizontal axis | 3.7KW |
| | Vertical feed unit | Feed | 0.4KW |
| | | Front and back | 0.1KW |
| | Vertical unit | Front and back | 0.2KW |
| | Horizontal feed unit | Upper feed | 0.4KW |
| | | Bottom feed | 0.75KW |
| | Horizontal unit | Lift | 0.75KW |
| Dust collection diameter | Vertical axis | | φ125mm |
| | Horizontal axis | | φ150mm |
| Contorol Panel | Touchpaneln contorol | | Two-axis simultaneous positioning control |
| Machine dimensions | Length × Width × Height | | 5370mm×1556.8mm×1590mm |
| Machine mass | | | 1500kg |
