Surface planer with one side and a vertical-axis fixed table

# ADR-652CP

## ADR-652CP Machine specifications

| | | | |
|---|---|---|---|
| Horizontal planer spindle cutting height | | | 15～640mm |
| Vertical planer spindle cutting height | | | 5～210mm |
| Automatic single-sided cutting height | | | 5～400mm |
| Height of the table surface | | | 815mm |
| Planer spindle speed | | | 5000min-1 |
| Material feed speed | | | 4～20m/min (Reverse speed 20m/min) |
| Plane shaft dimensions | Vertical planer shaft (no movement) | | φ125×220mm Enshin block |
| | Horizontal planer shaft (no movement) | | φ100×650mm Enshin block |
| Motor spec | Plane shaft | Vertical axis | 3.7KW |
| | | Horizontal axis | 5.5KW |
| | Vertical feed unit | Feed | 0.4KW |
| | | Front and back | 0.1KW |
| | Vertical unit | Front and back | 0.2KW |
| | Horizontal feed unit | Upper feed | 0.4KW |
| | | Bottom feed | 0.75KW |
| | Horizontal unit | Lift | 0.75KW |
| Dust collection diameter | Vertical axis | | φ125mm |
| | Horizontal axis | | φ150mm |
| Contorol Panel | Touchpaneln contorol | | Two-axis simultaneous positioning control |
| Machine dimensions | Length × Width × Height | | 5524mm×1850mm×1645mm |
| Machine mass | | | 2000kg |
